**TO WHOM IT MAY CONCERN:**

This is to certify that I-36VL model Incubator Chamber is a proprietary system of Percival Scientific, USA.

The system uses Intellus Ultra controller for precise control of temperature, light and humidity. The continuous running compressor with HOT gas bypass system is used for heating and cooling. The unit has been specially custom made for Drosophila application.

To the best of our knowledge, the above items are manufactured by Percival only and no other company in the world manufacturer's the above system with our Intellus Ultra based system.
